TO WHOM IT MAY CONCERN

This is to certified and declared that United World Wrestling –UWW (International Federation of Grappling & Wrestling) who has declared that "Grappling Federation of India" is the only national governing body for Grappling sports in India. UWW has fully recognized Grappling Federation of India and rejected the claim of Wrestling Federation of India to represent 'Grappling sports' in India.

No any **Grappling Committee of India** Or **Wrestling Federation of India** is recognized by UWW for Grappling sports in India. They are just trying to hijacking Grappling sports in India. The WFI is creating confusion between Indian sports communities so that they can hijack Grappling Sports in India which is our hard work of many years. This is very unfortunate and injustice with Grappling sports Lover.

Grappling Federation of India wants to aware to Grappling athletes and Officials about truth and reality about facts of representation of Grappling in India. GFI is permanent recognized body of United World Wrestling. GFI also inform you that UWW only recognized to "**Grappling sports**" Not to "**Grappling Wrestling**" these fellows are just making fool to all to write **Grappling Wrestling**.

In this World no any sports exits by name "Grappling Wrestling".
